NOTICE OF PROPOSED RULE MAKING

Adopted: July 23, 1993; Released: August 6, 1993

Comment Date: September 27, 1993
Reply Comment Date: October 12, 1993

By the Chief, Allocations Branch:

1. Before the Commission for consideration is a petition for rule making filed by EME Communications ("petitioner"), requesting the allotment of Channel 263A to Panacea, Florida, as that community's first local aural transmission service.¹ Petitioner states its intention to apply for the channel, if allotted.

2. We believe the public interest would be served by proposing the allotment of Channel 263A to Panacea, Florida, as that community's first local aural transmission service. Channel 263A can be allotted to Panacea in compliance with the Commission's minimum distance separation requirements with a site restriction of 14.6 kilometers (9.1 miles) southeast.²

3. The Commission believes it would be in the public interest to seek comments on the proposal to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the following community:

City	Present	Channel No.	Proposed
Panacea, Florida	--		263A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Nancy J. Walls, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

¹ Although petitioner's request was signed and the address provided, it failed to include an affidavit verifying that the statements contained in the petition were accurate to the best of its knowledge. Section 1.52 of the Commission's Rules requires that the original of any document filed with the Commission by a party not represented by counsel be signed and verified by the party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.401(b) of the Commission's Rules concerning rule making proceedings places

petitioners on notice that their proposal must conform with the requirements of Section 1.52 regarding subscription and verification. See also *Amendment of Sections 1.420 and 73.3584 of the Commission's Rules Concerning Abuses of the Commission's Processes*, 5 FCC Rcd 3911, n.41 (1990). Petitioner is requested to rectify this omission in its comments.
